

DIAMOND WISH

HOW TO FIND YOUR RING SIZE

Choose an existing ring to use as a point of reference when measuring for the new Diamond Wish ring. Print this page and align the ring over the pre-measured circle below, so that it fills the entire inner-circle of the diagram. This measurements refers to the inside diameter of the ring.

CREATE YOUR OWN RING SIZER

1. Cut out the tool below and cut through the perforated area.
2. Wrap the tool around the widest part of your designated finger, so that the numbers are showing towards you.
3. Feed the pointed end of the tool through the open slit and make note of the number that it lines up with.

ADDITIONAL INFORMATION

Prior to printing, ensure that Page Scaling is set to "None" on your print dialog box. (To open the print dialog box, press CTRL+P.) Please ensure that these rulers measure two inches or twenty millimeters, respectively, when printed for accurate sizing.
